

MICROCHIP REGISTRATION INFORMATION

To ensure the safety of your newly adopted pet, it is ***imperative*** that you register their microchip. This will ensure a safe return should your pet get lost.

Please register your pet's microchip within 3 days of adoption.

To register the microchip, please follow the instructions below;

- Logging in at: www.homeagain.com/chipfurkeeps/home.jsp with our Petfinder Shelter ID **IL761**;

or

- Calling **1-866-802-5650** and providing our Petfinder Shelter ID **IL761**

The cost to register the microchip is \$10.99

Adopters must provide their credit card for payment of the \$10.99 initial enrollment. This is a one-time charge and that credit card will not be used for a renewal unless the adopter specifically requests it. And remember that the \$10.99 includes lifetime microchip registration and the ability to update contact information online at no cost, plus a one-year HomeAgain membership for the adopter which includes additional benefits to keep pets safe.
